Preliminary Hip Dysplasia Evaluation Report

- EXCELLENT HIP JOINT CONFORMATION**  
superior hip joint conformation as compared with other individuals of the same breed and age
- GOOD HIP JOINT CONFORMATION**  
well formed hip joint conformation as compared with other individuals of the same breed and age
- FAIR HIP JOINT CONFORMATION**  
minor irregularities of the hip joint conformation as compared with other individuals of the same breed and age

- BORDERLINE HIP JOINT CONFORMATION**  
marginal hip joint conformation of indeterminate status with respect to hip dysplasia at this time -- Repeat study in six months
- MILD HIP DYSPLASIA**  
radiographic evidence of minor dysplastic changes of the hip joints
- MODERATE HIP DYSPLASIA**  
well defined radiographic evidence of dysplastic changes of the hip joints
- SEVERE HIP DYSPLASIA**  
radiographic evidence of marked dysplastic changes of the hip joints

**RADIOGRAPHIC FINDINGS**

- subluxation
- remodeling of femoral head/neck
- osteoarthritis/degenerative joint disease
- shallow acetabula
- acetabular rim/edge change

- unilateral pathology  left  right
- transitional vertebra
- spondylosis
- panostellitis

## PennHIP Report

Referring Veterinarian: Dr Lonnie Davis  
 Email: info@troyanimalhospital.com

Clinic Name: Troy Animal Hospital  
 Clinic Address: 34 S Weston Rd.  
 Troy, OH 45373  
 Phone: (937) 335-8387  
 Fax: (937) 339-7517

## Patient Information

Client: Korte, Kelly  
 Patient Name: Ivy  
 Reg. Name: Ivy Mae Korte  
 PennHIP Num: ██████████  
 Species: Canine  
 Date of Birth: 06 May 2022  
 Sex: Female  
 Date of Study: 09 Sep 2022  
 Date of Report: 11 Sep 2022

Tattoo Num:  
 Patient ID: ██████████  
 Registration Num: ██████████  
 Microchip Num: ██████████  
 Breed: BERNESE MOUNTAIN DOG  
 Age: 18 weeks  
 Weight: 36 lbs/16.3 kgs  
 Date Submitted: 09 Sep 2022

## Findings

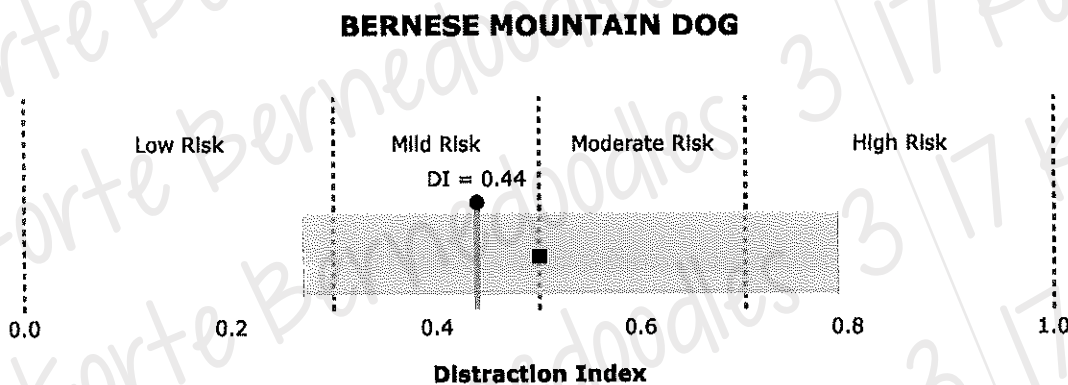

Distraction Index (DI): Right DI = 0.44, Left DI = 0.41.  
 Osteoarthritis (OA): No radiographic evidence of OA for either hip.  
 Cavitation/Other Findings: No cavitation present.

## Interpretation

Distraction Index (DI): The laxity ranking is based on the hip with the greater laxity (larger DI). In this case the DI used is 0.44.

OA Risk Category: The DI is between 0.31 and 0.49. This patient is at mild risk for hip OA.

Distraction Index Chart:

**BREED STATISTICS:** This interpretation is based on a cross-section of 3946 canine patients of the BERNESE MOUNTAIN DOG breed in the AIS PennHIP database. The gray strip represents the central 90% range of DIs (0.27 - 0.79) for the breed. The breed average DI is 0.50 (solid square). The patient DI is the solid circle (0.44).

**SUMMARY:** The degree of laxity (DI = 0.44) falls within the central 90% range of DIs for the breed. This amount of hip laxity places the hip at a mild risk to develop hip OA. No radiographic evidence of OA for either hip.

July 5, 2022

DEAR MRS. KELLY ELIZABETH KORTE,

Congratulations on your new Bernese Mountain Dog and welcome to the world of purebred dogs. Your AKC registration dollars support numerous AKC efforts to benefit dogs and dog owners. By registering your dog with the AKC, you supported valuable programs such as Pet Disaster Relief, the AKC Canine Health Foundation, the AKC Kennel Inspection Program, public education, canine legislation, and DNA parentage verification.

AKC registration provides wonderful opportunities for every purebred dog lover. The AKC Canine Good Citizen® program is an outstanding way to train your dog in basic obedience, valuable for every family. In addition, many dog owners enjoy the thrill of participating in AKC activities, shows and trials throughout the country. I invite you and your dog to get involved with the AKC!

Your registration also includes exclusive health benefits to help keep your new dog safe and healthy. Your dog is eligible for 30 days of pet health insurance included with your registration at no additional cost. This coverage reimburses for veterinary expenses due to unexpected accidents and illnesses. It also includes access to a 24/7 Vet Helpline. Activation of coverage is required in most states. For more information or to activate your policy, visit [www.akcpetinsurance.com/certificate](http://www.akcpetinsurance.com/certificate) or call 866-725-2747.†

Please note, if you ordered multiple items at the time of registration, they will be mailed separately and should arrive shortly. These include the AKC Certified Pedigree, the Dog Care and Training video, *Family Dog* magazine, and the AKC collar tag. If you did not order a Pedigree, you still have the opportunity to do so. An order form is provided on the back of this letter.

All of us want to be responsible dog owners. To help, the AKC offers a wealth of information at [www.akc.org](http://www.akc.org). Our site lists national and local dog clubs and AKC Canine Good Citizen® evaluators. Please visit us online and on Facebook and Twitter. If we can be of further service to you, please contact us by phone at 919-233-9767 or by email at [info@akc.org](mailto:info@akc.org).

Sincerely,

Dennis B. Sprung  
President and Chief Executive Officer
